

## GIVE ME LIBERTY OR GIVE ME DEATH

P. Henry / G. Washington

I have the right to freedom  
I've already paid my dues  
I have the right to live the life I choose  
You can't tell me how  
You can't tell me why  
You can't tell me how to live my life  
I'm not coming from the right  
I'm not coming from the left  
I shout it out loud - with my dying breath

Give Me Liberty Or Give Me Death  
Give Me Liberty Or Give Me Death  
Give Me Liberty Or Give Me Death  
Until my dying breath

Sitting on your throne  
On the other side of the pond - you think  
All you've gotta do is wave your magic wand  
But you're so out of touch  
Sitting in your high chair  
Can't you see that change is in the air  
It's coming from the left  
It's coming from the right  
I have the right to party - each and every night (chorus)

It's the same old story - The same old song and dance  
And telling you now - You've had your final chance

I've made my final offer  
One you can't refuse  
It's over now if you haven't heard the news  
It's too late to go back  
To how it was before  
You can't get back up when you're lying on the floor  
Coming from the left  
Coming from the right  
You want now - I've had it! - You've got yourself a fight! (Chorus)
